## 6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The IQAC of Mangaldai Commerce College was formed on 31st December, 2021. Since its formation it has striven to develop quality benchmarks in the academic and administrative spheres. Two practices institutionalized at Mangaldai Commerce College with IQAC initiatives are below:

1. Teacher appraisal, course management and learning outcome delivery mechanism:

Internal and External Academic Audit. The Audit evaluates academic performance based on results, effective curriculum implementation, co-curricular activities and use of ICT-related pedagogical approaches. Each department analyses its SWOC, based on which, the IQAC advises Departments the measures for enhancing teaching-learning process.

2. Collecting feedback from stakeholders: The IQAC takes initiatives to collect feedback from stakeholders like students, teaching staff, employers and alumni to facilitate teaching learning reforms. This helps in obtaining an unbiased and honest opinion about the institutional performance especially in academics. Student feedback of teachers is conducted regularly. A careful analysis of the feedback received is done and communicated to the teachers to enable them to enhance their teaching skills and their relationship with the students. People who belong to the rural areas of the district were not aware of higher education, especially in commerce education and the percentage of higher educated people among them was very low.

#### Outcome of this Practice

The college has become successful in popularizing and spreading commerce education in the backward areas of Darrang district. Due to the numerous initial efforts of the college (as mentioned earlier), people are attracted towards commerce education. The result can be seen in the trend in student enrolment.
