NOTICE

Date: 07/08/2026

Regarding Admission to Boys' Hostel

It is hereby informed to all the male students of Mangaldai Commerce College that the College has made arrangements for a **Boys' Hostel within the College campus** to provide residential facilities to interested students. However, it has been observed that, till date, no male student has shown sufficient interest in seeking admission to or residing in the Boys' Hostel.

Therefore, the College authority is seeking the **final consent from interested male students** who wish to avail themselves of the hostel facility. Students who are interested in taking admission to the Boys' Hostel are requested to submit their consent to the College authority **on or before 10th August, 2026**.

If no male student comes forward or enrolls for admission to the Boys' Hostel by **10th August, 2026**, it will be presumed that the students are not interested in availing themselves of the facility. In that case, the College authority may utilize the hostel rooms/premises for **other academic or institutional purposes**, as deemed appropriate.

All concerned male students are therefore requested to take note of the matter and submit their consent within the stipulated date.
