Notice

(Date: 11/08/2026)

All students of Mangaldai Commerce College are hereby informed that they must attend their classes regularly and punctually and maintain the required minimum 75% attendance as per the rules of the College.

Students are required to reach their classrooms on time, maintain proper discipline during classes, and take their academic activities seriously. Regular attendance and active participation in classroom activities are essential for academic progress.

Students are therefore advised to avoid unnecessary absence and late arrival. Students who fail to secure the minimum 75% attendance will not be allowed to appear in the Sessional Examination.

The Academic Monitoring Committee will regularly monitor students' attendance, punctuality, and participation in academic activities and will take necessary initiatives to ensure regular attendance.

All students are requested to extend their cooperation and strictly follow the rules and regulations of the College in the interest of their academic progress.
